FYI – I just submitted the chloroprene FRN for final posting. I suspect this will go live on Monday.

Hi Steve – Attached is the signed version of the chloroprene FRN from June. Can you upload this into Lotus? Sorry to cause confusion with Vanadium earlier. Let me know if you have any questions or comments.

Hi Dahnish,

Here's the draft with OP's edits. I'll just need a clean version with the changes accepted and one with an electronic signature.

Thanks!
Steve
